

Step back to the Roaring '20s when Smith Tower was young, Prohibition was the law, and Seattle was growing quickly.

As you move through the building, keep your eyes and ears open as you discover the good, the bad, and the ambitious people of Smith Tower.

*The Man Who Knows
Smith Tower Inside and Out*

Smith Tower is the swankiest business address in Seattle, and it takes a lot of hard work to keep it that way. Dykes manages all the systems in the building, from the eight elevators to the steam heat to the telephone exchange. And he has to deal with crazy daredevils.
