

Step back to the Roaring '20s when Smith Tower was young, Prohibition was the law, and Seattle was growing quickly.

As you move through the building, keep your eyes and ears open as you discover the good, the bad, and the ambitious people of Smith Tower.

Smith Tower

OBSERVATORY EXPERIENCE

The Rumrunner's Crooked Attorney

Finch is a shady lawyer. He's Roy and Elise Olmstead's personal attorney and also a partner in the rumrunning crime syndicate. The feds have tapped his office phone here in Smith Tower, listening in on his conversations about pick-ups and drop-offs, pay-offs and kickbacks.
