

## TRAVEL BAGS PERFECT FOR A WEEKEND GETAWAY

DECEMBER 19, 2017

If you're looking for some weekend getaway inspiration, less than 5 minutes from SeaTac Airport, you'll find Cedarbrook Lodge, a *major* hidden gem in the Pacific Northwest! It's a beautiful family-friendly resort with farm to table dining (I toured their gardens), walking trails, luxurious rooms...and a spa that is to die for!! (I recommend the Alaskan Glacial Mud Wrap followed by a Vichy shower – which turns the room into a rainforest 🌲). Cedarbrook Lodge is the perfect little pre or post-travel respite and a fantastic reason to escape for the night!
